

# FACILITY MAINTENANCE PAVILION

## The Facility Maintenance Pavilion at

NOVEMBER 9-12  
**2010**  
ORLANDO • USA

**MAINTENANCE AND ENGINEERING DEPARTMENTS** are facing new and difficult challenges all the time. They are being asked to come up with creative ways to solve problems and do more with less. Take advantage of the Facility Maintenance Pavilion by exhibiting at ISSA/INTERCLEAN. Facility managers and executives will want to explore the latest products, services, technologies, and applications that will help successfully advance their organization's maintenance mission.

**IF YOU MANUFACTURE PRODUCTS OR PROVIDE SERVICES IN THE BUILDING OR FACILITY MAINTENANCE FIELD**, you won't want to miss the prime location of this pavilion, right next to BSCAI's booth. Be among the first to tap into this growing market.
